August 10, 2025

It's that time of year again where school is in session and the next generation is laboring diligently to learn and grow. Or if you're in my house, we're just laboring diligently to get to school on time. But whether school is in session or out of session, the idea of learning and knowledge is incredibly important. Proverbs 1:7 says, "The fear of the Lord is the beginning of knowledge; fools despise wisdom and discipline."

There are all sorts of subjects about which we can spend our time learning. But the Bible tells us that to truly learn a knowledge which will transform our lives we must begin with the fear of the Lord. The word fear there doesn't mean that we ought to tremble in terror before God, but instead means that we need to have a healthy respect and reverence for who God is and what He is able to do. Once you have that respect in place, the next step is to receive His wisdom and discipline.
