2025 Ladies' Retreat  
Planning Meeting  
This afternoon  
at 4:00 in building B  
Ladies who are interested  
in helping to plan are  
encouraged to come.

Is your family dysfunctional? Sometimes when we think of our families, we can be hard on those we have labored relationships with. You may even have unhealed hurt and painful memories. But one of the most amazing things about the Bible, and a STRONG evidence that it is not fictional but indeed true, is the fact that it includes not only the triumphs of its heroes and characters, but also all the messy and embarrassing shortcomings.

Joseph and his family are no exception. Joseph was one of 11 brothers from 4 different wives. Before the personalities of the sons developed, the wives themselves fought and resented one another. If you know the story, Joseph's brothers sell him into slavery, but what sounds like the sad conclusion of family drama gone out of control is the beautiful beginning of God working in Joseph's life in spectacular ways. You never know what God could be readying you for amid a messy family life.
