### Imagine This

If you had \$86,400 in your account and someone stole \$10 from you, would you be upset and throw all of the remaining \$86,390 away in hopes of getting back at the person? Or move on and live? Right, move on and live. We all have 86,400 seconds each day. Don't let someone's negative 10 seconds ruin the remaining 86,390. Don't sweat the small stuff, life is bigger than that.
