Plan to Stay for Potluck &  
Fellowship Today

Our plans can and often do go wildly off track, but God's plan is always accomplished. His plan has been in the works from the beginning of the creation of the world. We read in Genesis three how Adam and Eve disobey God and hide from him, "Now they heard the sound of the LORD God walking in the garden in the cool of the day, and the man and his wife hid themselves from the presence of the LORD God among the trees of the garden." God's plan includes freedom, and with freedom comes the ability to freely disobey.

Because of this, God will send out Adam and Eve from His presence and from the perfect home He created for them—and in most stories this would be the end. But not this story...The Jesus Storybook Bible describes what happens next like this, "God loved His children too much to let the story end there. Even though He knew He would suffer, God had a plan...You see, no matter what, in spite of everything, God would love His children—with a Never Stopping, Never Giving Up, Unbreaking, Always and Forever Love.
